Notes:

- 1) Proof of payment together with this completed order form should be faxed or emailed to Specialized Graphics.
- 2) After receipt of payment, stickers are made and applied to stand signs in batches of ten (This means there may be a delay from the time that payment was made till the sticker is actually applied to the stand sign), based on an agreement made with Southdownns Management Services.
- 3) Contractors are welcome to contact Specialized Graphics to collect stickers that have been made but which have not been applied if they want to apply the stickers themselves after one week from the time of payment.
- 4) Repair and/or replacement of the stand signs are periodically done in batches, at intervals of between four to six weeks. Broken boards may therefore delay the application of stickers until the replacement of the next batch of broken boards.
