Kindly note:

- 1) **Artwork** preparation or manipulation is subject to quotation and additional time should be allowed if this is required. **Spot colour** artwork should be supplied in **vector format** with fonts converted to curves (File formats accepted: .cdr(up to v16), .ai, .eps). **Full colour** or halftone work should be supplied in CMYK colour format and should be in a size at least 30% of the actual print size (File formats accepted: .jpg, .tif, .png, .psd and editable .pdf format).
- 2) A **lead time** of between 5 and 10 working days are required depending on the scope of the work and our current work load.
- 3) **Trimming of Bleed Margin:** Since printing cannot be done over the edge of the board there should always be a margin of approximately 5-10mm around the printing. Trimming these edges after printing can be done at a price of R0-45 per side. Trimming will affect the final board size.
- 4) **Unfortunately we don't delivery.** Collections can be made during business hours.
- 5) **Double sided printing:** When printing on both sides of correx boards the prices in **Table 2** and **Table 3** apply.
- 6) **Prices are subject to change** and should be confirmed before placing an order.
- 7) Prices are all inclusive and is not subject to additional tax such as VAT
- 8) A **50% pre-payment** is required for jobs over R850-00 and jobs less than R850-00 is payable up front.
- 9) Our **business hours** are **9h00 – 16h30 from Monday to Friday** excluding public holidays and our annual December break.
- 10) In addition to the above, all quotations are subject to the Standard Terms and Conditions of Agreement and Indebtedness of Specialized Graphics that is available on the internet at <http://www.specializedgraphics.co.za/terms-and-conditions.html>
